# FIESTA PAVILION

Capacity: Up to 2,500 guests  
Area: 2,020.sqm  
Pandango: 455 sqm | Polkabal: 465 sqm | Rigodon: 730 sqm

The Fiesta Pavilion is a popular choice for big conventions. But it may also be easily divided into three self-contained function rooms, namely: the Pandango, the Polkabal, and the Rigodon, for smaller events such as weddings and balls.

The event space is equipped with state-of-the-art ceiling and lighting fixtures that showcase seamless interplay between light and sound. The updated theater-like set-up features an artfully-lit ceiling and wall panels that adapt to the mood and nature of the event.

Magnificent and breathtaking, the Fiesta Pavilion can host anywhere from 150 to 2500 conference participants. It remains to be the ballroom of choice when immense space and quiet elegance are the primary considerations.

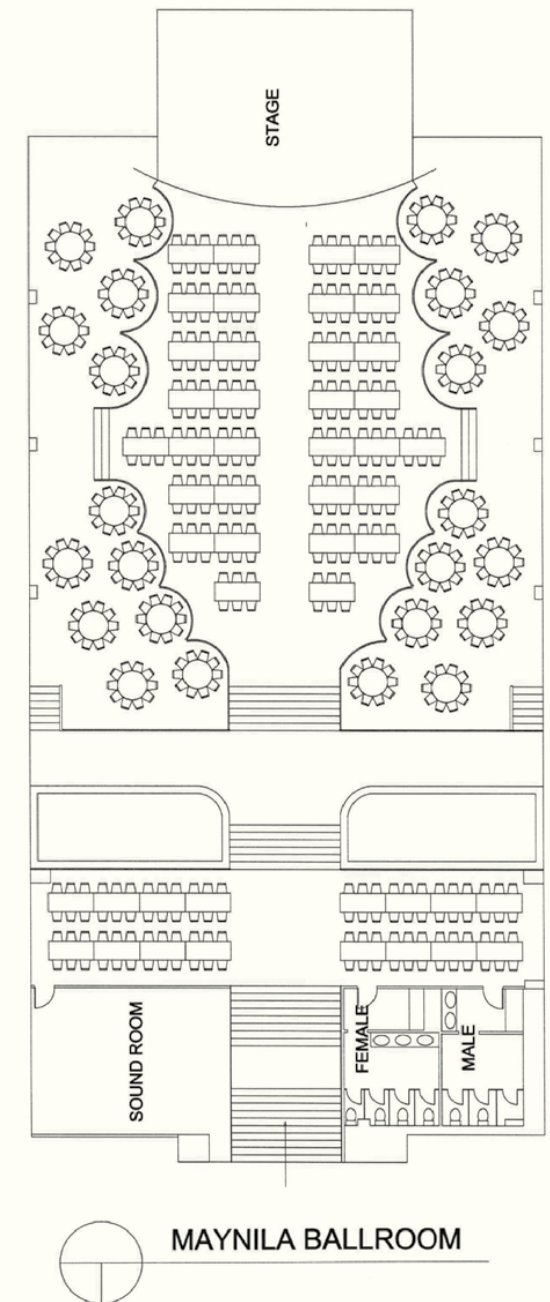

## MAYNILA BALLROOM

---

Capacity: 400 guests

Area: 600 sqm

A vision of Philippine National Artist for Architecture Leandro Locsin, the Maynila Ballroom lends a native sophistication to any event with its five-meter high hand-carved narra arches, hand-painted ceiling and massive capiz shell chandelier framed gracefully by an Arabesque canopy. Magnificent multicolored Tiffany bay windows, studded lights and indoor water fountains lend an added magic to nightly ballroom dancing for the finest in entertainment. Dining in our Maynila Ballroom makes for a truly unforgettable experience with its regal design concept that is more art than architecture.

## CENTENNIAL HALL

---

Capacity: 300 guests

Cen A: 510 sqm | Cen B 510 sqm

The Centennial Hall has two spacious sections that can be merged to accommodate large events but is also easily divisible into two halls that are perfect for smaller functions.
